

Decision-Making Process Organizer

Name(s): \_\_\_\_\_

Decision to be considered: \_\_\_\_\_

<b>Generate Alternatives</b> Identify a few options you could choose before you narrow your focus.	<b>Gather Information</b> List reliable evidence that <u>supports</u> choosing this alternative.		<b>Predict Outcomes</b> Describe what you think would be likely to happen if you chose each alternative.
Alternative #1:		List reliable evidence that suggests you <u>shouldn't</u> choose this alternative.	
Alternative #2:			
Alternative #3:			

<b>Take Action</b>	<b>Reflect</b>
Circle the alternative you will choose. Explain your reasoning.	Answer these questions after you observe outcomes from your decision-making process:  How did your decision-making process affect the outcome?  Did anything out of your control affect the outcome?  What would you have done differently in your decision-making process?
