

Alliance for Decision Education Research Grant

LOI Form Questions

Please note: Submitted LOIs will be accepted until **Friday, November 10, 2024 at 11:59 pm Eastern**. This deadline is subject to extension at the Alliance's discretion. Sign up [here](#) to stay informed about possible form deadline extensions. Please note that we may contact you for questions or clarifications about your submission.

1. Project Title.
2. Grant Period (approximate start and end dates). *Grant period may not exceed two years.
3. Will you need IRB approval for the proposed project? [yes/no]
 1. If yes, "When do you anticipate having IRB approval for the proposed project?"
4. Indicate the total dollar amount you are requesting.
5. Provide a budget narrative detailing amounts to be allocated towards salary, equipment, publication fees, participant payment fees, and/or other significant expenditures. (approx 1 paragraph)
6. Name and title of Principal Investigator.
 1. Please upload a PDF of the Principal Investigator's CV.
7. Name and title of Co-Investigator(s), if applicable.
8. Name and title of additional collaborators, if applicable.
9. Preferred email address of Principal Investigator and/or primary project contact. (Please note that we will use this email address to contact you in the event that we have questions or require clarification about your submission).

10. Organization name and tax status (e.g., 501(c)3)

11. Project Summary

1. Select which area(s) of the Alliance for Decision Education Research Agenda your project addresses:
 1. Determine and develop relevant measurement tools.
 2. Benchmark students' decision-making knowledge, skills, and dispositions.
 3. Conduct effective interventions that demonstrate the impact of Decision Education.
 4. Examine the effect of Decision Education on life outcomes.
2. Briefly describe how the proposed project aligns with the Alliance for Decision Education Research Agenda. (approx 1-2 paragraphs)
3. Justify your proposal by briefly summarizing relevant background literature and the gaps in knowledge that your project aims to address. How is your project uniquely situated to address these gaps in ways that other endeavors have not? (approx 1-2 paragraphs)
4. List the research question(s). For each question, describe the anticipated outcome(s) and how those outcome(s) will advance the field of Decision Education. (approx 1 page)
5. Describe the research methods and study design. (approx 1 page)
6. Will your project take place in a K-12 educational setting? (We prefer that interventions be conducted in a K-12 educational setting). [yes/no]
 1. If yes, describe the setting (including whether you already have access to this population and the US city/state in which it's located) and the project's potential for scalability. (approx 1-2 paragraphs)

2. If not, describe how the project will translate to real-world educational settings, including potential for scalability.
(approx 1-2 paragraphs)
 7. Describe the planned deliverables and dissemination strategy.
(approx 1-2 paragraphs)
 8. Describe potential future research projects that could build upon the findings of this study. (approx 1-2 paragraphs)
12. Where did you learn of this opportunity?
1. Direct email from the Alliance
 2. My university
 3. Listserv
 4. Friend or colleague
 5. Web search
 6. LinkedIn
 7. Twitter/X
 8. Facebook
 9. Instagram
 10. Other _____
